PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA-CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center IP1c (DIA). The photographic analysis for this particular report was performed by the Production Center IP1c.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (I) equipment storage/maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank/assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training areas or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

SUMMARY

A military installation covering approximately 31 acres in the Krasne section of Lutsk is located 3.5 kilometers (km) from Lutsk Army Barracks Northeast (Figure 1). It is situated on the all-weather road between Lutsk and Milushe.

The installation (Figures 2 and 3) contains one multistory administration/barracks build-

ing, two barracks, one storage building, three buildings associated with maintenance and storage of vehicles, and 11 other support buildings.

An ammunition storage area, probably associated with the installation, is located 2.5 km northwest. This facility covers about 20 acres and includes eight buildings.

DESCRIPTION OF INSTALLATION

Road Service

The installation is served by all-weather roads from Lutsk and Milushe.

Administrative and Troop Housing Area

Area D contains one multistory barracks, administration building, two barracks, one storage building, and 11 support buildings. Numerous vehicles can be seen around three 85-by 45-foot single-story buildings.

Ammunition Storage Area

25X1D

Area F contains seven [redacted]-foot buildings, one [redacted]-foot building, and one guard house. The area is in the form of an irregular pentagon, 850 by 700 by 1,000 by 480 by 630 feet, and encompasses approximately 20 acres.

Athletic Field

An athletic field (K) is located west of the administration building.
